Please amend the paragraph on page 4, starting at line 13 as follows:

U.S. Serial No.09/456,127, (BW 03797.80027) filed December 7, 1999, entitled "Bookmarking and Placemarking a Displayed Document in a Computer System;"

U.S. Serial No. 09/455,754 (BW 03797.84619), filed December 7, 1999, entitled "Method and Apparatus for Installing and Using Reference Materials In Conjunction With Reading Electronic Content;"

U.S. Serial No. 09/455,807 ~~(BW 03797.84618)~~, filed December 7, 1999, entitled "Method and Apparatus for Capturing and Rendering Text Annotations For Non-Modifiable Electronic Content;"

U.S. Serial No. 09/455,808 ~~(BW 03797.84809)~~ filed December 7, 1999, entitled "System, Method, and User Interface for Active Reading of Electronic Content;" and

U.S. Serial No. 09/455,805 ~~(BW 03797.78802)~~, filed December 7, 1999, entitled "System and Method for Annotating an Electronic Document Independently of Its Content,"

Please amend the paragraph on page 12, starting at line 14 as follows:

Step 502A is optional. It relates to the user selection of an action post selection of the object. If the user is supplied with a menu after selection of the object and the function of adding an annotation is provided on the menu, step 502A relates to the selection of the adding the annotation function. An example of adding an annotation is described in detail in U.S. Serial No. 09/455,807 ~~(BW 03797.84618)~~, filed December 7, 1999, entitled "Method and Apparatus for Capturing and Rendering Text Annotations For Non-Modifiable Electronic Content" whose contents are incorporated by reference for any essential subject matter.

Please amend the paragraph on page 15, starting at line 4 as follows:

In step 604, the system waits for either selection of an object or navigation to another page. More options are contemplated that do not need the file position for execution (for example, looking up a term in a reference document as disclosed in U.S. Serial No. 09/455,754 ~~(BW 03797.84619)~~, filed December 7, 1999, entitled "Method and Apparatus for Installing and Using Reference Materials In Conjunction With Reading Electronic Content", whose contents are incorporated herein by reference in its entirety for any enabling disclosure).
